A1 Solutions

FOR HEARING CARE PRACTICES

You care for patients.
We run the back office.

Atlas One Solutions is one relationship for everything behind the front desk. One call, one invoice, one team that knows your practice, so you and your staff get back to patients and get home on time.

Workforce, Payroll and HR

Payroll, PEO or ASO, onboarding, handbooks and policies, and HR questions answered by a person.

Benefits & Retirement

Group health, dental and vision, 401(k), open enrollment and COBRA, handled for your team.

Risk & Insurance

Workers comp, general and professional liability, cyber, and certificates of insurance on request.

Financial Services

Bookkeeping and monthly close, payroll posted to your books, and fractional CFO help.

Technology & Operations

Microsoft 365 and IT support, a software and vendor audit, and AI tools that save staff hours.

Business Consulting

A Back Office Audit, practice acquisition support, and the processes that keep things running.

What you saw at the booth

Your client portal

Services, renewals, documents and requests in one login. Ask for a certificate of insurance and it lands on our task list within the minute.

Calculators, with your numbers

The true cost of doing payroll and HR yourself, time and cost savings, turnover cost, and a vendor and software audit.

Document builders

An employee handbook with state supplements in English and Spanish, plus safety manuals and employment agreements.
